12 ---> I am e-mailing you to tell you that I don't want that toxic waste that they're trying to send us in Nevada. It is very dangerous even though it will be 90 miles from Las Vegas, Nevada. We don't want it and don't need it. What if there is an accident during the transport? What if the wind gets blowing, which it does? We could be in real danger.

Keep the toxic junk out of our backyard. We don't want it and don't need it. ]
